Résumé

I am a passionate and driven Software Engineering student with a keen interest in full-stack development, mobile app creation, and cybersecurity engineering. My journey in tech is fueled by a relentless curiosity and a love for problem-solving, as I continuously explore innovative solutions and sharpen my technical expertise. Beyond coding, I thrive in creative pursuits such as designing and drawing, which allow me to blend artistic flair with technical precision. I am also an avid reader, always eager to expand my knowledge and discover new perspectives. Whether delving into the latest tech trends or picking up a new skill, I embrace every opportunity to learn and grow, making me a well-rounded and adaptable individual ready to tackle challenges in both the digital and creative realms.

Expérience

NewDev MAROC
Full-stack Developer
avril 2025 - mai 2025 (2 mois)
Fez, Fès-Meknès, Morocco

UMS
Full-stack Developer
septembre 2024 - octobre 2024 (2 mois)
